MEMORANDUM FOR THE SECRETARY OF HOMELAND SECURITY

FROM: Marco Rubio

SUBJECT: (SBU) Notification of Removability Determinations under Section 237(a)(4)(C) of the Immigration and Nationality Act (INA)

(SBU) I am writing to inform you that upon notification from the Department of Homeland Security's Homeland Security Investigations (DHS/ICE/HSI) on March 7, 2025, I have determined that [REDACTED] and Mahmoud Khalil (DOB: [REDACTED]; POB: Algeria), both U.S. Lawful Permanent Residents (LPRs), are deportable aliens under INA section 237(a)(4)(C). I understand that ICE now intends to initiate removal charges against them, based on assurances from DHS/ICE/HSI.

(SBU) Under INA section 237(a)(4)(C)(i), an alien is deportable from the United States if the Secretary of State has reasonable ground to believe that the alien's presence or activities in the United States would have potentially serious adverse foreign policy consequences for the United States. Under INA section 237(a)(4)(C)(ii), for cases in which the basis for this determination is the alien's past, current, or expected beliefs, statements, or associations that are otherwise lawful, the Secretary of State must personally determine that the alien's presence or activities would compromise a compelling U.S. foreign policy interest.

(SBU) Pursuant to these authorities, I have determined that the activities and presence of these aliens in the United States would have potentially serious adverse foreign policy consequences and would compromise a compelling U.S. foreign policy interest. These determinations are based on

information provided by the DHS/ICE/HSI regarding the participation and roles of [REDACTED] and Khalil in antisemitic protests and disruptive activities, which fosters a hostile environment for Jewish students in the United States. My determination for [REDACTED] is also based on [REDACTED] citations for unlawful activity during these protests. The public actions and continued presence of [REDACTED] and Khalil in the United States undermine U.S. policy to combat anti-Semitism around the world and in the United States, in addition to efforts to protect Jewish students from harassment and violence in the United States. Consistent with E.O. 14150, America First Policy Directive to the Secretary of State, the foreign policy of the United States champions core American interests and American citizens and condoning anti-Semitic conduct and disruptive protests in the United States would severely undermine that significant foreign policy objective.
